

# Prayerful Witness for Life at Planned Parenthood in Little Canada

The Culture of Life Committee (CLC) at Saint John's Church of Little Canada continues the outreach of prayer/witness in support of life through peaceful assembly outside of the Planned Parenthood location in Little Canada off of Rice Street and Highway 36. While we have the right to gather, we must ensure that we assemble on public land as well as utilize on-street public parking. The map below highlights (in green) where we can/cannot park and peacefully gather:

## Planned Parenthood (Little Canada)

We may not be on the grounds of Planned Parenthood (striped red) nor on the private property of surrounding businesses (striped orange). This includes parking. There is a public sidewalk on the Rice Street side of the building that we may gather on. Parking is located on the north side of Minnesota Ave. West of Rice Street.
