

The Co-Cathedral of the Sacred Heart's Confirmation Preparation

Service Hours Records Form

Why am I asked to perform service projects in preparation for Confirmation?

Confirmation preparation prepares one to be fully initiated into the Church and service is an intentional part of any Christian formation from the time of Baptism until one's death. During the preparation process candidates reflect on how they might live out their Catholic faith in their parish community and the community at large.

How many service hours am I required to have?

During your Immediate Confirmation Preparation (beginning in January) you are to complete at least 20 hours of service total. Ten hours are to be served within the larger community. The other ten hours you are to serve within your parish community. (Confirmation students who are required to perform service projects for school may use these hours, but these projects must first be approved by the DRE or your Confirmation teacher.) All candidates are encouraged to choose a parish ministry that they hope to continue after Confirmation.

When and how do I fill out this form?

1. The service projects you choose must first be approved by your Confirmation teacher or by the DRE.
2. Write a brief description of the service you performed and record the date, place and number of hours you worked. Have the adult supervisor of the project sign next to each entry.
3. You should add entries to this form each time you perform service. Forms are to be handed in to your teacher by the end of the school year. Additional forms can also be downloaded from the CCE webpage at www.sacredhearhouston.org under "Children & Youth" > "Sacramental Preparation" > "Confirmation."
