

Hot Lunch Program

All Saints Catholic School offers a hot lunch program that is delivered to us from **Fairmount Market** of Bangor. Menus are sent home once a month. However, you have the option of ordering weekly by cutting off one week at a time from the menu and submitting with payment by the due date shown. Whether weekly or monthly, please be sure to copy the correct amount owed and include payment with your order. Place the order in an envelope with "Lunch Order" written on the outside.

A La Carte

All Saints will once again be offering a variety of 'a la carte' items during lunch time at the St. John's campus only. Punch cards are available for purchase in the St. John's campus office for \$10.
