CATHOLIC SCHOOL

February 2019

Dear Parents:

The Catholic faith teaches that each child is a masterpiece of God created in his own image with value and purpose. Since 1865, All Saints Catholic School has recognized and supported this; it's what makes our school different from the rest. As you prayerfully consider where your child will start school, kindly consider us! Testimonials include:

"My home-schooled students have transitioned so wonderfully to All Saints Catholic School."

"My husband and I had three grandchildren go through All Saints Catholic School. It was the best investment we ever made. They were well prepared for High School and learned to reach out to their parish community in faith, reaping many blessings."

On behalf of Fr. Frank Murray, the pastor of St. Paul the Apostle Parish, and the staff of All Saints Catholic School, I personally invite you to attend our **Kindergarten Registration and Information Night on Thursday, February 7th, 5:15 - 6:30 pm, St. Mary's campus, 768 Ohio Street, Bangor.**

Traditional Catholic values are the foundation of our strong academic program at All Saints, utilizing The Hartford Curriculum for all subjects, including Art, Library, Music, Physical Education, Spanish, and Technology Integration. Our dedicated, state-certified teachers further enrich the curriculum with creative approaches to make learning child-centered and purposeful.

In addition to rigorous classroom instruction, students can participate in co-curricular and extra-curricular activities including: weekly Mass, community service projects, Cheering, Chess Club, Choir, Mathcounts, Music Theater, VEX-Robotics, and seasonal competitive sports. Before and after care, and summer programming are available.

Students will be admitted to All Saints Catholic School on a first come, first-served basis. Students from all faith backgrounds are welcome. In cases where class space is limited, applicants will be placed on a waiting list. Placement on a waiting list does not guarantee admission. All Saints does not discriminate based on gender, race, religion, national origin, age, physical handicap or disability when considering admission.

Please call 947-7063 and tell us you're coming. See why an All Saints Catholic School education is one of the very best decisions you will make for your child and family!

God's blessings on you and your family,

Matthew Houghton
Principal
