We celebrate **Catholic Schools Week** beginning Sunday at 9:30 Mass. We have several activities planned for students and guests this coming week. Please see the newsletter for more information.

SAVE THE DATE! We have invited **Protect Young Eyes** (protectyouneyes.com) to visit St. Mary's! The purpose of their visit is to increase the digital IQ of our staff, students, and families. Led by Chris McKenna, PYE is a team of digital experts who present around the country. Students will hear talks during the day at St. Mary's on March 13 and all caring adults are invited that evening to a 90-minute seminar starting at 6:30 PM in the St. Charles Church Activity Center in Coldwater – look for the RSVP link soon!

Here's a link to an amazing post about Digital Screen Time from the PYE Team to give you an idea of what they teach (<https://protectyouneyes.com/screen-time-kids-parental-control-5-recommendations/>).

Have a great weekend!
