PARENT HANDBOOK

We Believe

WELCOME TO ST. ANTHONY'S FAITH FORMATION PROGRAM

This handbook is for you as a parent of a faith formation child who is registered in one of our Faith Formation Programs. For the most part, this information does not talk about “rules”, nor is it considered hard and fast policy. Rather, this handbook is a way of helping you know our expectations. We want to work *WITH* you in helping your child get to know Jesus.

Please remember that our catechists are all volunteers who graciously donate their time and talent to share their love of Jesus with your child(ren) so that they may have a Catholic faith formation experience.

We welcome your feedback and suggestions for changes, additions, and corrections to the booklet.

MISSION STATEMENT FOR FAITH FORMATION PROGRAMS

Our Faith Formation Programs seek to work with parents in helping their children develop a faith life while learning a basic understanding of the teachings and practices of the Catholic Church.

We do this by:

- Teaching about the Catholic Church so students gain an understanding of what it means to be a Catholic Christian.
- Promoting a liturgical life through liturgy, sacraments, and prayer.
- Encouraging students to be part of the broader community, that is their local church community.
- Talking about moral decision-making and learning the difference between making good choices and bad choices according to Gospel values.
- Understanding that we all have a special “calling” from God.

CLASS NOTES

TWO RULES FOR FAITH FORMATION

The children are reminded of two basic rules they are to follow while they are in classes: Love God, Love Others. All other rules and guidelines fall under those two categories.

CELL PHONES

No cell phones may be used during class time. If a phone is used, the catechist will take the phone away until the end of class.

PICKING UP STUDENTS

Parents, please be extra careful when picking up your students.

We want to make sure that all children are safely reunited with their parents for their ride home

Please pick your students up on time. A volunteer must stay until the last student is picked up, so if you are late, a volunteer will also have to stay late.

BATHROOM BREAKS DURING CLASS TIME

Students are encouraged use the bathroom before class starts. If your child has any reason to use the bathroom more than once an hour, it would be helpful for us to know.

SNOW OR STORM CANCELLATIONS

If public school is canceled, we are also canceled. If the weather appears to be worsening, classes may be canceled even if schools were not.

DISCIPLINE PROCEDURE

We meet for a little over an hour, one time a week. Listed below is the progressive process we may try to use to handle difficult or disruptive situations:

1. The catechist first tries to handle the situation within the classroom in a positive, creative, caring and prayerful way.
2. The catechist sends the disruptive student to the school office.
3. If disruption continues, the child is asked to leave for the remainder of the class and parents are notified.
4. If the disruptive behavior continues over several weeks, a parent may be requested to sit with their child in class.

If you get a call about a disruptive situation involving your child, please know that we have attempted first to solve it here and are now asking for your involvement. Remember, **all** of our catechists are volunteers. Most are not trained or prepared to handle difficult classroom situations.

We want to provide a safe and welcome environment for ALL students. We do that best when everyone – students, parents, and catechists – cooperate and participate.

PARENT INVOLVEMENT

Although we do not have too many parent/child events scheduled during Faith Formation Classes, we want you to know that you are never excluded from anything we do. Parents are always welcome to be involved. You are invited to call or e-mail the Coordinator of Faith Formation in your parish with any questions, talk with your child's catechist, or visit their class (with prior arrangement). MASS ATTENDANCE

In accordance with Church teaching, we strongly encourage that you and your child attend Mass each weekend. Celebrating the Eucharist is the ultimate prayer and the basis for religious formation. The issues and topics discussed in the Faith Formation classroom often refer to Mass and Eucharist. Coming to class makes so much more sense to students who attend Mass regularly.

Parents of all grade levels can help by praying with your child. In Faith Formation class we can teach children some basic prayers, but they learn and remember them only if they are heard and said in their everyday family life. We expose children to all kinds of prayers here – ritual prayers, prayers of Thanksgiving, prayers of petition, blessing prayers. What do you teach?

Parent's Prayer for Their Children

O Lord,
We give you thanks for having given us children.
They are our joy, and we accept with serenity
the worries, fears, and labors which bring us pain.
Help us to love them sincerely.
Through us you gave life to them;
from eternity you knew them and loved them.
Give us the wisdom to guide them, patience to teach them, vigilance
to accustom them to the good through our example.
Support our love so that we may receive them back
when they have strayed and make them good.
It is often so difficult to understand them,
to be as they would want us to be,
to help them go on their way.
Grant that they may always see our home
as a haven in their time of need.
Teach us and help us, O gracious God,
Through the merits of Jesus, your Son and our Lord.
Amen.
