

September 27, 2018 St. Anthony's Finance Council Minutes

Paul asked us if there were any questions on the monthly finance reports that Grace had emailed us. Grace explained and answered any questions that were brought up. We had some questions that Grace will ask the diocese for answers.

Questions: Can we take someone off of parish rolls after a couple of years? Can someone be a member of more than one parish? Do we need an internal audit if we will have a diocesan audit which we pay for?

Grace will email us when she gets an answer back if we still need a self audit.

The next finance council for St. Anthony's will be Thursday November 29th at SA.

Fr. handed out the schedule for January thru April 2019 meetings planned. All are on a Thursday evening.

Meeting was adjourned by Paul and seconded by Richard. All agreed,

Fran Selz, Secretary
