

Joint Finance Council Meeting Holy Family Parish May 24, 2018

The joint council meeting was called to order with “Send Forth Your Spirit” taken from Psalm 104.

Two recommendations from Parish Councils were presented. The first was to add a part time Coordinator for Religious Ed and second to add a part time Youth Minister. This was taken to each individual Parish Finance Council to discuss.

After the breakout sessions each Parish agreed to the proposal of the Joint Youth Ministry part time position. There would be a stipend of \$1000 for this person to be divided between all three parishes.

The Religious Ed coordinator for St. Mary’s and Holy Family will be funded 1/3 Holy Family and 2/3 St. Mary’s. They will need to find an applicant. St. Anthony’s has Janet Boh and she intends to stay as The Religious Ed Coordinator.

Father Steve gave all the councils a vote of confidence with the changing of Pastors. He stated that we have strong Parish Councils and Finance Councils in place now. He asked that each council give Fr. Leo help on setting up future meeting agendas.

The 150th Anniversary of Diocese with the Bishop will be held at 1:00 on July 15th at the Thorp Quonset Hut. Father encouraged as many council members as possible to attend.
