

Dear SKS Parents,

We have been chosen to host the summer school program again this week. This year the program is called the SUMMER ACADEMY PROGRAM.

The Summer Academy program will run:

**July 8 - August 2**

**8am - 12pm**

**Monday-Friday**

**The program will feature STEM, Literacy and Math.**

As in the past, only Title 1 students in grades K-5 may participate in the Summer Academy.

Based on the available Title I funding, enrollment will be on a first come-first enrolled basis. Timely submission of accurate and complete forms will ensure this is the case. The preferable option is for families to enroll online. However, if you wish to send in your forms to school I will fax them.

Enrollment will close on April 1, or when the program reaches capacity, whichever comes first. Students will be notified of their acceptance to the program in May. There will also be a reminder sent in July.

I will be sending only those Title I students who qualify the enrollment forms. Please make sure you fill in all the requirement information and either return to school or enroll online. I will be receiving the enrollment forms by Thursday to distribute to the children.

Thank you,

Mrs. Tanghe
