

Dear Staff and Parishioners of St Timothy:

Please know of my condolences and prayers for your beloved faith formation coordinator Robbie Raaen, her family, and for all of you. I would like to acknowledge Robbie's many years of faithful service to the Church and to St. Timothy's, and especially her love for the children in the religious education programs. Her love for the children and passion for her ministry has been of great service to the Gospel and left a lasting mark on the spirit of your community. May she be at peace in the presence of the Risen Lord, and in this season of resurrection joy, may the hope and assurance of his presence in your midst be a source of peace and healing for St. Timothy's parish.

In sympathy and with the blessing of our Lord Jesus Christ,

*Archbishop Bernard Hebda*
