

Saint Anthony Catholic Church

Dear Parishioners,

We are excited to announce that the sanctuary will undergo much needed renovation in the coming months. The project has a start date of May 13th with a tentative finish date of July 31st. Over the past few months a large amount of investigative work has taken place as part of the remodeling of the sanctuary. There are a lot of guidelines, recommendations, and hoops we needed to follow and jump through to obtain final approval from the diocese. I know many of you feel that there should have been an opportunity for parishioner input regarding this project, this is certainly understandable. However, please understand that the majority of changes that will be undertaken have come from the direction and recommendations of Liturgical consultants, experts and Diocesan Committee for Sacred Spaces. While I am in agreement with their recommendations, their approval was needed to move forward with our project. Renderings of the renovation plans will be completed and displayed in the coming weeks.

During the renovation construction all Sunday Masses will be held in Father Pondant Hall. We will be adding an additional Mass at 9am on Sundays to help with the smaller number of people Father Pondant Hall can accommodate.

All 9am daily masses Monday thru Saturday will be held in the white church as well as baptisms and weddings.

I would like to take this opportunity to thank all the parishioners who contributed to the Capital Campaign to make this possible. Without the help of our donors this renovation would not be possible.

If you have any questions, please feel free to contact me or our parish business manager Daniel Mora at daniel@saint-anthony.com or 972-442-2765 Ext. 236.

Sincerely,
Fr. Tony
