

# MOTHER SETON ACADEMY

4219 U.S. Highway 9 · Howell Township, NJ 07731

April 1, 2019

Dear Parents,

In creating Mother Seton Academy it is our hope for an educational experience that is open to ideas, creativity, innovation and above all to excellence!

The process of lifting the Academy from a concept to a reality has been an exciting time. That excitement is evident in the many helpful insights offered by parents, teachers, educators, parish staffs, parishioners, Diocesan staff, and members of our Diocesan Schools Community.

We are pleased to announce the following developments that have come about by the best collaborative work of many:

1. **The registration fee for one child remains at \$200. A family registration fee will be \$350 per family.**
2. The **before and after school program** for students attending Mother Seton Academy will be **\$5 per hour per student.**
3. **Teacher interviews** have begun for MSA and expect to be completed by April 5. Based on current enrollment, teachers will be offered positions of employment. Information will be provided to you in the near future as the faculty positions are filled.
4. The Mother Seton Transition Committee looks forward to providing an **Open House on Thursday, April 11 from 7:00 to 8:30 p.m.** On this evening there will be an opportunity to share information being imagined and planned for Mother Seton Academy. Please stop in to the future home of Mother Seton Academy on April 11 from 7pm-8:30pm to learn more about this outstanding educational experience for your child.

The growing excitement expressed and made real by so many dedicated to excellence in Catholic Education is uplifting and we are most grateful for the assistance of so many creative and committed individuals.

As pastors and administrators, we look forward to providing an exceptional Catholic education that will prepare students for their future.

Sincerely,

Father Bambrick and Father Euk
