

St. Mary Magdalene Catholic School Campus Growth Survey

Dear SMMCS Parents,

Attached you will find a series of questions relating to the development of a facilities master plan for St. Mary Magdalene Catholic School. The master plan will explore the school's need to renovate and add new facilities. This master plan will be used as a basis to determine future development projects within the St. Mary Magdalene community.

Your specific and thoughtful responses will help us determine what facility improvements are necessary in order to develop a learning environment which is completely supportive of the educational philosophy, programs and needs of your school and community.
