- *A separate application is required for the Honors Diploma for the Class of 2020.

MCC Emerging Scholars Application

Melbourne Central Catholic has established a partnership with Florida Institute of Technology to offer a variety of accelerated college level classes. Students who choose to participate in FIT classes may earn college credit at no additional tuition cost.

MCC students will attend class on the FIT campus. FIT courses are taught by highly qualified faculty members. Students are expected to do college level work and will be held to college standards for grading. **All grades will be recorded on an official FIT transcript and the MCC transcript, where they will earn 1.0 weighted designation.**

Entrance requirements include a minimum of a B in related high school coursework, competitive SAT or ACT scores, and a counselor recommendation. A SAT minimum of a 550 Math for Math classes and 550 for English classes is required. Comparable ACT scores are also acceptable. Additional guideline can be found in the MCC Curriculum Guide.

Program Features

1. This program is open to any high school student who is currently in or entering the junior or senior year in high school and who is attending a private or public high school in Brevard or Indian River counties desiring to take courses at Florida Tech (space available basis).
2. The student is limited to earning a maximum of 12 semester hours total.
3. Any high school senior completing six or more credits at Florida Tech with a 3.0 overall GPA is guaranteed:
 - admission to Florida Tech upon completion of the full-time undergraduate admission process and
 - consideration for a university-based merit scholarship and need-based grants to attend Florida Tech.
4. Tuition, while enrolled as a special high school student, is \$100 per credit. Some Florida Tech courses and other costs are not included in this tuition offer (i.e., textbooks and supplies, flight training, internship courses and others as determined by the university). Flight training costs are incurred at the current training rates. This cost is in addition to university tuition.
5. Credits will be recorded on a Florida Tech transcript at the end of each semester (There is a \$5 transcript request fee). Upon matriculation as a full-time undergraduate student, the tuition rate will be the current Florida Tech tuition rate at that time.

Application Process

1. Complete this form and submit to Florida Tech's Undergraduate Admission office prior to the start of Florida Tech courses.
2. Submit a high school transcript.
3. Submit SAT or ACT scores.
4. Submit a plan of courses the student intends to complete at Florida Tech.
5. Submit official letter of endorsement from the high school counselor or principal.

When all application materials are submitted, a decision regarding dual admission as a Special High School Student will be made.

I understand and agree to the terms and conditions set in this document
