

Summer Math Challenge

Skip the summer slide with ONE question a day, straight to your phone! Join our FREE Virtual Summer Math Challenge. Sign up with Remind (student/parent/guardian phone, or both) (**corrected links at bottom**). If your student has a phone, DEFINITELY have them sign up!!

During summer break, you'll receive a daily question and probably silly memes from Mrs. Honsinger. Students answer the question and text back their answer (maybe a picture of their work). For each question they answer, they get a "point." Spend 1 minute a day to keep math skills fresh, prizes at summer's end!

If you have questions about the program, please contact Ms. Honsinger on Remind or e-mail susan.honsinger@saintmaryschool.net. You can also contact Ms. Honsinger for hints on the daily questions if needed!! Note: Students under 13 need their grown-up to text back the answer because of Remind privacy/message rules for children.

- If you just **finished 1st grade** - students/parents/guardians: On your phone or computer, open your web browser and go to the following link: rmd.at/2smcs. Follow the instructions to sign up for Remind. Or for simple text notices, text @2smcs to the number 81010 to join.
