

To our Saint Mary Parish Family:

Tomorrow, Thursday, February 21, our Holy Father, Pope Francis, will begin a multi day meeting with bishops from around the world, including our own country. As you probably know, the focus of the discussions will be the "Protection of Minors in the Church."

Because of the continuing impact of the abuse crisis on the Universal Church, our Diocese of Bridgeport and our Saint Mary Parish Family, I am asking you to join me in prayer for our Pope and Bishops over the next 3 days as they discern the next best steps to take to address the crisis we face.

Thank you in advance for your prayers.
