

Dear Parents of 2018-2019 First Graders:

Summer is a wonderful time to read with your child.

We are sending the Texas 2x2 reading list from the Texas Library Association. This list contains books that you and your child may be interested in reading together. The books on this list are available at the local public libraries and bookstores.

Your child will need to complete 2 book reports on two different books from the list and turn them in on the first day of school.

We hope you and your children have a wonderful summer. We will see you in August.

Sincerely,  
The First Grade Teachers
