- ★ 10/12 No School
Inservice Day

*Schoolwide Learning
Expectation: We are People
of Integrity*

Notes from the Teacher

I am really looking forward to be back to a normal routine this week, but it won't last long - the Jog a thon is happening on the 11th! The Second graders have been working hard to get pledges and are looking forward to this fun morning! Please get the last of your pledges turned in to the CTK office. Thank you for your support of CTK!

The Second graders are learning about their location on a map. We started with our place in the solar system, and moved to our continent on Earth, this week we will identify our country in North America, next week our focus will be on our state within the country and then we will study our local community.

Have a wonderful week!
