### Notes from the Teacher

Thank you to all who made our field trip possible! From the Happy Valley City Hall website:

*Excited 2nd graders from Christ the King, their teacher and parent volunteers came to City Hall for a tour through the various departments, where they observe and learn how a city operates. Tours are led by Community Services staffers Steve Campbell and Stephani Hern. The big finish includes a mock City Council meeting and a group picture posted to the City's website.*

The second graders are focusing on the 10 Commandments and creating a book. Each day we are focusing on one commandment and working to put it in our own words and illustrate our thinking.

The canned food drive has begun! The second grade is competing with the rest of the school to bring in the most cans to help those less fortunate than ourselves. Thank you so much for your support!
