Notes from the Teacher

Last Wednesday was the Feast of Our Lady of Guadalupe. The CTK parish put on a play to teach our school community more about this very special visit from Mary.

Thank you for coming to our CTK Christmas program. Mrs. Sherbo, Nana Berger, and the children all worked hard to put on a lovely show. It was great to see so many families attend!

I will send home some optional math problems for Christmas break, and don't forget your child has a book report planning page to fill out on a book they have read or will read over break. This is due on the 2nd and we will be starting our book reports in class - so please make sure the finished green paper is in your student's binder.

I am looking for empty disposable water bottles for a science lab. Please send in any empty bottles with your 2nd grader. Thank you!
