### Notes from the Teacher

We had a great week getting to know one another and reviewing procedures and expectations. I look forward to settling in for a routine schedule this week.

I will provide 10-15 minutes each day for snack. Please help your second grader remember to pack a healthy snack to eat at this time and keep in mind that we are a nut free school.

You will find weekly homework listed in the box above. Daily reading is critical at this age. This can be your child reading to self, you reading to your child or even your child listening to an audiobook. Your child will have a monthly book report assignment starting in October. More details to come!

Have a blessed week!
