- Any student who wears their CTK uniform to Mass will have free dress Monday 1/28
- ★ 1/28 Catholic School's Week Begins
 - ★ 2/1 No School

Notes from the Teacher

The second graders are learning about Matter in science. We have been testing the different properties of materials, conducting experiments to solve problems. The students will work as kid inventors this week.

We are busy planning for Catholic School's Week. Any CTK student who wears his or her uniform to Mass January 26th or 27th will receive a ticket for free dress Monday the 28th. Help others learn about our great school!

Watch the Family email for more information regarding all of the fun activities and spirit days we have planned for CSW. We want all of our community to know that you are so appreciated!
