### Notes from the Teacher

Thank you to all who made our Catholic Schools week such a success. Each day last week was focused on a different facet of our school and parish community. Hopefully the students shared their "What I love about CTK" plants with you, We celebrated the students with a spirit days and a crazy, fun assembly, and the second graders wrote, illustrated, and presented a poem to Stacey Pinder to thank her for her tireless work preparing our children through our Religious Education department.

We are busy planning to celebrate the 100th day of school. It falls on Valentine's day, so K-3rd grades will actually celebrate the 100th day on the 15th. We will have a whole day focusing on this achievement!

Please note the class list on the back of this newsletter - we're exchanging Valentines on the 14th!
