- ★ 2/27 2:10 Dismissal
- ★ 2/28 All School Free Dress

Notes from the Teacher

Thursday is Valentine's day. The students will be exchanging Valentines. Please make sure your child brings one for each student in the class.

Friday is the 100th day of School! K-3rd grade will be rotation from class to class to participate in a variety of activities/centers led by our awesome 7th graders. We are looking forward to it!

Many thanks to the volunteers who will be leading the second grade Junior Achievement lessons. Following participation in the program, students will be able to: describe a community, identify the variety of careers people have in a community and how each job requires specific skills, identify how business and government jobs help a community, explain how taxation supports government services, recognize voting as a way responsible citizens act, and describe the flow of money in a community's economy.
