- ★ March 25-29 Spring Break
- ★ 4/3 2:10 Dismissal
- ★ 4/27 CTK Auction!

Notes from the Teacher

Last week marked the beginning of Lent. The students met in family groups to discuss and plan the 3 Lenten sacrifices we as Catholics are called to make during the 40 days of Lent. Lent is a time of preparing ourselves to build a closer relationship to God. We can achieve these things through prayer, fasting and service. Check in with your second grader to see what he or she has resolved to try to do during this season.

In Science this week, the second graders will discover that plants are truly living things, and face challenges to their survival just as dramatic as animals do!

Have a blessed week and Happy St. Patrick's Day!
