The Second graders are wrapping up their study of the Old and New Testament and will start to focus on Holy Week and the Easter Season. This will be followed by learning about the 7 Sacraments with an emphasis on First Holy Communion.

Students have been learning about counting money and collections of money in math, we are also in our Economics unit in Social studies and have been studying Needs vs Wants, scarcity, opportunity cost, and resources. Mrs. Baker has been carrying over our learning to the library. Students have been ordering from meus and have to calculate whether they are staying on budget!
