

Dear and Blessed Companion Tom Acker SJ!

Peace of Jesus Christ! Peace and Good! I want to let you know that we have received the money sent to the Diocese of Jérémie as a gracious gift by you and the parish council of SAINT JOSEPH'S PARISH IN MOGADORE/USA. I would like to express to you, to the parish council and to all the generous benefactors of this parish, my deepest gratitude for this precious donation. It will be used to help the poor, the needy, mainly street kids, girls and boys, who knock almost every day at our door to ask for food, drinks, sandals, shoes, and so on. Our great desire is to remove these kids from the streets. For that very reason, we have the ambitious project to build a school just for them in order to offer them a future and so bring hope into their present life. Once again, my heartfelt thanks for your wonderful financial assistance. May God repay you a hundredfold with graces, favors, consolations, and blessings of all kinds in abundance!

With my love, my best regards, greetings and blessings in the Compassionate God,

+Joseph Gontrand DECOSTE, SJ
Bishop of the Diocese of Jérémie/HAITI
