 2. They have a year 2 program.
 3. Stewardship does the sign-ups.
 4. Need to decide if we want to hire this group again for another \$11,000 or do it ourselves.
 - a. Stewardship doesn't think we should hire the group – not worth it.
 - b. To do it ourselves we would need help from Stewardship/Finance/Parish Office; Finance and Parish Office mainly for data collection.
 - c. Stewardship would head it up based on what we got from last year's OSV.
 - d. Already set for the 2018 sign up we will use the split sign-up as last year. Stewardship of Treasure commitment will be October 20/21, and the Stewardship of Time and Talent Sign-up will be November 10/11.
 - e. Parish Council agreed with the Stewardship Committee that we would complete time, talent, and treasure sign ups solo without the help of OSV this year.
