

Club Invention®

WHERE **BIG IDEAS** BECOME THE NEXT **BIG THING**®

CLUB INVENTION is an **EXCITING** after-school program where children **PARTICIPATE** in activities focused on **CREATIVE PROBLEM-SOLVING** and **INNOVATION!**

Your child will:

Use Galileo's work as inspiration to build games that demonstrate the movement of objects.
Use Newton's theories to demonstrate center of gravity and create a tower of objects using unusual materials.
