2. Teams will consist of five members - any combination of men and women. Although team entries are encouraged, individual entries will be accepted. You do not have to have a full team to enter the tournament. Lodges are encouraged to enter multiple teams.
3. The winning organization will be determined by pin fall. The total pin fall for each organization will be divided by the total number of participants for that organization to determine an average for the three games bowled. The organization with the highest average will be declared the winner.
