

## The Benefits of the USCMA Associate Membership

The associate membership is designed for lay people who desire to integrate the mission Jesus Christ entrusted to his Church more deeply into their lives.

In the Eucharist, Jesus feeds us and sends us on mission – to take the saving love of God into the streets, to the peripheries, to “every nation.” The lungs of the Christian breathe in the many graces God gives to us through Word and Sacrament and breathes out mission.

Many of us have some experience of mission – a short-term mission trip, service trip, or an immersion. Others had months – even years – in mission. Still others are just beginning to feel a stirring towards mission. All of us are trying to integrate the call to mission into our lives.

The as-so-ci-ate (the verb form for associate) membership is only \$25 annually and builds a national network of missionary disciples who are intentional about discipleship that is missionary.

### Tangible Benefits

1. You will receive as-so-ci-ate – an e-letter for missionary disciples. This e-letter will inform you and inspire you on how “ordinary Catholics” are integrating mission into their lives.
2. Discounts to USCMA conferences, webinars, and publications.
3. Access to member only resources – like how to integrate mission into parish life.

### Intangible Benefits

1. Solidarity with other missionary disciples dedicated to the mission of the Church.
2. Accompaniment in and through the missionary process.
3. Formation in missionary discipleship.

USCMA has a national team – located in Washington, DC – to address your needs and concerns. It aspires to be a national alliance of Catholic individuals and organizations dedicated to mission. They are there for you – [member@uscatholicmission.org](mailto:member@uscatholicmission.org).

Together in Mission,

Dr. Donald R. McCrabb  
Executive Director
