

Notice

For many years, the Feast of the Assumption celebration has concluded with a wonderful fireworks display. We regret and are extremely disappointed that for the 2019 Feast we are unable to have a fireworks display.

Because of recent development in the area, there no longer exists a safe zone from which to stage the display.

Over the last several months, and continuing through as recently as August 15, we have searched for a suitable alternate location from which to stage the fireworks safely while allowing visibility for those on Mayfield Road. Despite efforts by many who have been supportive and helpful in this cause, we have been unable to secure a suitable location for 2019.

We will continue these efforts and work to return this wonderful tradition in the years to come.

We will continue to have our closing candlelight procession this year and into the future as a way to express our faith and honor the Blessed Mother. We invite you to join us. Thank you.
