

Why men ages 25-55????

Statistics show that the largest missing demographic in our Church is not children; it is parents. Frankly, the dads of the current generation are AWOL. We're calling them back. If you are a Catholic man in your 20's, 30's, 40's or 50's a Catholic man in the midst of the juggling act of striving to live your faith while give your all at work, in your community and also trying to be faithful to your primary vocation of marriage ... you're not alone and this retreat is for you.

The cost for this retreat has been kept as low as possible so as to accommodate as many men from around the diocese as possible. That being said, the cost should not keep anyone from attending. Scholarships are available if needed.

Also, many thanks to Art Hancock, owner and operator of CrossWoods Adventure camp, for generously donating the use of the facilities. We are grateful for your partnership with the Diocese.
