

Dear Sir/Madam:

Thank you for accepting this letter as an official request for a donation to Aggieland Homeschool Athletics. The 2018-2019 Aggieland Homeschool "Panther" Basketball season is beginning, and we are excited!

The philosophy of the Aggieland Homeschool Athletics Basketball program can best be summarized as:

1. Competitive. We seek to challenge our youth in stimulating competition that drives them to work hard and give their best.
2. Developmental. We seek to develop athletic skills with physical fitness and conditioning which will serve them their entire life.
3. Spiritual Growth and Character Development. We seek to teach the values of teamwork, honesty, integrity, humility, and a love and respect for God.

Approximately 100 boy and girl athletes, ages 8-18, will participate in our program again this year. Our eleven teams will compete with other area schools to include public, private and Homeschool programs beginning in November and culminating with our varsity teams attending the **National Christian Homeschool Basketball Championships (NCHBC)** in Springfield, MO in March 2019. Our boys' Varsity team starts the new season as the reigning 2018 Class 4A National Homeschool Champions for the third year in a row!

Our annual budget is over \$45,000. This includes the costs of gym rentals, referees, equipment, insurance, tournament fees, and uniform expenses.

As a corporate sponsor, your business will get name recognition and promotion. Please see the attached Aggieland Homeschool Athletics Sponsor Donation Form for the various sponsor levels and benefits. You can also submit your information using the online donation form at www.aggielandhomeschool.com/sponsors-1.

Aggieland Homeschool Athletics is a 501(c)(3) nonprofit organization. Therefore, your cash or "in kind" donation may be tax deductible. Your consideration is greatly appreciated!
