~ See reverse side for Parish Lenten Opportunities ~

Prayer is the first of the three pillars of Lenten practice. Through prayer, we raise our hearts and minds to God in thanksgiving and praise.

There are many opportunities for prayer during the season of Lent listed on the reverse side. This year, let us resolve to focus on Christ's suffering, and to unite our own suffering with His through fasting, prayer, almsgiving.

Fasting is the second pillar and is observed on **Ash Wednesday** and **Good Friday** by Catholics 18-59 years of age. On a fast day, one full meal/or equivalent, is allowed.

In addition, **Abstinence** is observed on Ash Wednesday and ALL Fridays of Lent by Catholics 14 years of age and older. On days of abstinence, NO meat is allowed.

During Lent, we are asked to focus more intently on **Almsgiving**, the third pillar, which means donating money or goods to the poor and performing other acts of charity. As one of the three pillars of Lenten practice, almsgiving is "a witness to fraternal charity" and "a work of justice pleasing to God." (Catechism of the Catholic Church, no. 2462)

*What you give up for Lent changes lives! Pick up your **Rice Bowl** in the gathering space.*

*The **Archbishop's Annual Appeal** begins during Lent. Giving to the **AAA** helps many ministries and charities throughout the Archdiocese of Hartford.*

Lenten Gospel Reflections — Daily Meditations by Bishop Robert Barron, Word on Fire

Friends, Thank you for joining me as we journey together toward the great feast of Easter! Lent is a season for refocusing on the suffering and death of Our Lord Jesus Christ, so that we will be ready to embrace the good news of the Resurrection. Why this emphasis on suffering? Because Christ saved us through an act of suffering. He bore in his own person the weight of our sin and died for us on the cross, where suffering and love coincided.

And the Church is the Body of Christ, which participates in Christ. Therefore, we shouldn't be surprised that we will be called upon to suffer out of love. In the economy of grace, God may use our suffering to bear the burden of another member of the Body of Christ, just as one system can take up the work of another, or one organ can support another. So as we begin with Ash Wednesday, let us resolve to focus on Christ's suffering, and to unite our own suffering—through fasting, prayer, almsgiving, and reflection on the Lenten Gospels and the Stations of the Cross—with the suffering members of the Church. It is not the destination but the journey that will ultimately transform us.

Peace, Bishop Robert Barron

A three part series based on Pope Francis' encyclical "Laudato Si" (Praise be to You) ON THE CARE OF OUR COMMON HOME, will be presented by Sr. Ruth Rosenbaum, TC on March 17, 24 and 31 at Our Lady of Mercy parish center, 19 S. Canal St. at 7pm. Sr. Ruth is a co-founder of Center for Reflection, Education, & Action. The first session will discuss how we got into the mess we're in in our world, the second session with understanding as to where we are now, and the final session on what we can do to help create a positive future for all.

All 3 sessions will be held in room 106, which is in the back of the building. Refreshments will be available. A free will offering is suggested.
