

Take Me With You!

#BernieSummer2018

It's back! Summer fun to keep our Trinity family connected while we are off making memories with friends and family. Attached to this sheet you will find our friendly mascot Bernie!

Take Bernie along on your summer vacations, trips to the beach or playing with your friends. Take lots of great pictures with your Bernie all summer long. Parents, share your pictures on Facebook...instructions are below. Students, you can also keep a journal of your exciting summer adventures.

We would love for you to share your journal with your teacher, class and all of us at Trinity Academy when you get back in September! If you lose your Bernie you can download another from the Bernie Summer page on www.trinityk8.com/summer
