

VBS Parents:

Are you interested in
child care after
Vacation Bible
School?

We are forming a parent's co-op to offer childcare from the end of the VBS day until 6pm, but we need your help!

There will be no fee for care. Simply volunteer your time to watch kids on-site for one afternoon during the week (Jun 17-21).

In order to make this plan work, we must have enough volunteers to cover the week and those volunteers ***must be SET certified***.

If you can commit one afternoon with the kids and are Safe Environment trained (or willing to become trained), ***please sign up at the link below!***

Once we have enough parents signed up, we will be in contact by email with next steps. Thank you!
