PRACTICE AND GRADE CONTRACT

I hereby acknowledge that in order to play a sport at Holy Family Catholic Academy, the athlete must:

1. Maintain at least a 73 average in all subjects. 72 or below is "Academically Ineligible".
2. Maintain an "S" or above for conduct in all subjects. Below an "S" is "Academically Ineligible".
3. Attend at least 50% of the practices each week (team sports).
4. Not receive a morning detention. If the athlete receives a morning detention, then the athlete will not be permitted to play in the next scheduled game.

Academic Eligibility is based on 4-week grade reports, i.e. progress reports and report cards. If the athlete is ruled "Academically Ineligible" via a progress report or report card, he/she will be unable to compete in games or meets until the next report card or progress report, assuming they meet eligibility requirements. The athlete is expected to attend practices, even if academically ineligible.

If the athlete misses more than half of the day of school on the day of a game/meet, the athlete will not be allowed to compete. For example, if the athlete misses school on Tuesday and there is a game on Tuesday night, the athlete may NOT play. Also, if the athlete misses school on the final school day of the week (typically Friday), and there is a game on that Saturday and/or Sunday, the athlete may NOT play in any games that weekend. For example, if the athlete misses school on Friday and there are games on both Saturday and Sunday, the athlete may NOT play in any of those games.

Parents of a child playing sports at HFCA are automatically a member of the HFCA Booster Club. As a member of the Booster Club volunteering is expected at home sports events. The hours do count toward the 40-50 hours of volunteer work expected by the school.

All monies and forms must be turned in before the first game of the season. There will be no refunds once the athlete participates in a game or meet. If the athlete is missing any money or forms they will not be able to participate until the missing money or forms is turned in. In case of a hardship parents may discuss payment arrangements with the school.
