Classroom News
Pre-Kindergarten: Pre-K is learning about the letter Gg. On Monday, we found glittery gold in the playground! On Tuesday if we can name 2 things that begin with Gg we can earn a gold chocolate coin! When our buddies come, we will play games for the letter Gg. Also, many of our students are becoming pattern experts.

Grade One: We are looking forward to a busy Spring here in First Grade! The eggs have arrived and are currently incubating in Second Grade. Our Butterfly and Ladybug larvae have also arrived. In Math, we are focusing on addition and subtraction fact families. Soon we will be learning about place value and then on to addition and subtraction of two digit numbers to 20. We have begun Unit 6 in the Reading program. Please check to be sure your child’s name is clearly marked in sweaters and sweat shirts (uniform). As the weather warms up, some children remove them at recess and we want to be sure to return the clothing to the right child. Also, please send water bottles every day!

Congratulations to all students on their 3rd Quarter Report Cards. Keep up the great work, and finish the school year strong!!!

Reading logs for April will be collected on Tuesday, May 1st. We are incubating eggs in our room and the chicks are due to hatch on May 14th. They will then go back to Casey Farm. We will be going to the farm in June. We have been preparing for First Communion by receiving unconsecrated bread and practicing how to walk with prayerful hands. In Social Studies, we continue to learn about patriotic symbols. Hope to see many of you at the fundraiser. Have a great week.

Grade Three: I hope everyone had a great vacation! Welcome back! We are finished with division and now going over how to tell time. We will be learning when and where to put quotation marks in writing. In Social Studies, we will begin discussing the different branches of the military. We are physicists in Science right now talking about physical changes and characteristics of solids, liquids, and gases. We are very busy!

Grade Five: Fifth grade is excited to be back to school. In ELA, aside from Spelling, we are working with transition words. In Math, we are beginning a unit on Geometry. In Science, we started learning about environmental Science. In Social Studies, we are discussing Westward settlements in early America, and in Religion we are talking in depth about the sacrament of Confirmation. We plan to finish the school year strong.

Spanish: Lower Grades: We’re reviewing our food vocabulary and will learn how to order at a restaurant. Upper Grades: We’re preparing for a test on Chapter 3 that will happen the week of May 1st. Please have students use their flash cards for vocabulary and review how to conjugate AR verbs, Ir, Dar, and Estar.

Library/Media Center: Thank you to Emma Asselin for the donation of 15 gently used books. As you do your Spring cleaning remember the Library if you have any gently used books. This month we have on display, Grade 2’s “cereal box” book reports and Grade 3’s “pop up” art projects. Great work!!
