- ** This is a great opportunity to reinforce skills taught and learn advanced skills.
- ** This has also proved to be a great opportunity to prepare for the high school entrance EXAM. (which is never too early to prepare for).
- ** Many 6th graders in the past have taken this class and have done very well in 7th grade.
- ** This program is available to all current 8th grade graduates as well. It will help them In their first year of high school math.
