Dear Amerigo Students and Parents,

We have exciting news to share – Amerigo Lexington is getting an upgrade! To accommodate the needs of our growing global community, and to improve student experience and satisfaction, the Amerigo Lexington residence is moving to a new and better location from Fall 2018! The new Amerigo Lexington residential campus will be located at a safe, apartment-style complex next to the University of Kentucky, a nationally ranked research institution. The new residences contain **single occupancy bedrooms** and resort-style amenities. The new location is also much closer to the Lexington Catholic High School campus and the Mary Queen of the Holy Rosary Middle School campus, both only 6 minutes' drive away.

The new Amerigo Lexington residence features upscale amenities and will allow our students to live, study and relax in comfort and style, while continuing to experience the same Amerigo quality, safety and security they've come to expect. The new Amerigo Lexington residence features:

- Apartment-style units
- **Single occupancy bedrooms**
- Shared bathroom between two students
- Common space with sofa
- Kitchenette
- In-unit laundry
- High-speed internet
- Contemporary architecture
- Fitness center
- Swimming pool
- Game room with ping pong, billiards and video games
- Tennis, sand volleyball and basketball courts
- Ample green space
- Proximity to restaurants and shopping
- Family-style meals served nightly
- 24/7 security and supervision by trained Amerigo staff

The address for the new residences is 845 Red Mile Rd.

We are very excited to offer this new location as the Amerigo Lexington residence and can't wait for students to experience it in the fall. If you have any questions about the new Amerigo Lexington residence, please contact Mr. Trent Smith at trent.smith@amerigoeducation.com

Thank you,

Mr. Trent Smith
