

Saint Report – Due October 24

Name: _____

Date: _____

The purpose of your Confirmation name is to pick a saint who can be a model for your life. This means examining different saints and finding one who connects with your interests, spirituality, faith life, and goals.

We encourage you to research many saints as you choose one for a Confirmation name. You can find resources online, at the library, or on your own. When you have your saint, please fill out the section below. We ask for the saint’s “feast day” since that is the sure way to know that the saint is a canonized saint in the Catholic Church.
