

# SEPTEMBER – L.E.A.P. NEWS

Welcome to the L.E.A.P. Program! We provide opportunities to learn, explore and play enhancing the preschool day!!

This month in our L.E.A.P. classroom, your child will get to know the daily routine. Each day your child will have the opportunity to explore the materials in each CENTER. Our classroom has five centers: book, block, house, science, and art. We will read and talk about our families, friends and most importantly US! We will explore our senses and how we are all special.

## Reminders:

1. Send a healthy lunch for your child and please LABEL everything!
2. Please send a family picture with your child – we will use in our class and on the bulletin board as a

“Get to Know You” activity!! Send one you do not need back!

Please contact us if you ever need anything!!
