

L.E.A.P. January News

A decorative border of colorful balloons in shades of green, yellow, orange, blue, pink, and red, arranged in a rectangular frame around the text.

Welcome to the
L.E.A.P. Program!
We provide active
learning
opportunities
through play to
enhance the
preschool day!!

We explored “LIGHT” all December. Flash lights and forts were a hit as part of our SCIENCE center. Most importantly, we enjoyed sharing the Advent season with your child! The month of January will be an active month as we explore motion. Each week we will have a focus - bounce, fly and roll. In addition, we will continue to provide many enrichment opportunities in all our centers.
