

St. Michael the Archangel Preschool 2018-2019 Director's Note's

Dear Parents,

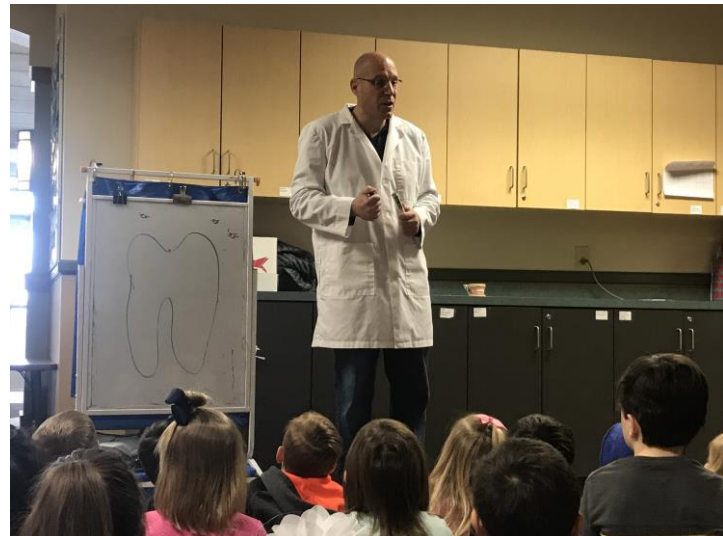

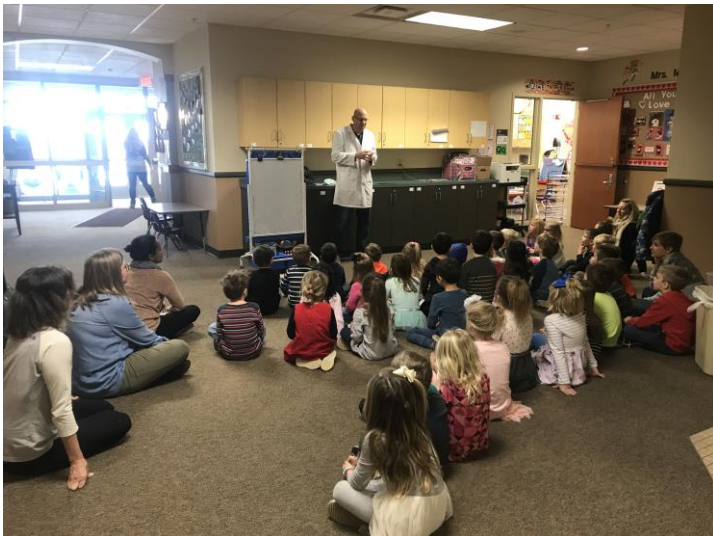

Thanks for your patience with the snow and cold this year that resulted in many snow days. We will follow suit with St. Michael's School and the Preschool will be in session on Tuesday, April 23, which was originally planned as a staff in-service day. We regret that so many of the days off were Wednesdays and Fridays and we are making up a Tuesday; however, this is the way the calendar falls. Be assured that the students will all be well-prepared for their next level and that teachers keep them engaged every day they are in preschool.

This Friday, March 1, is a parent-teacher conference day and there is no school for children. Teachers have reached out to parents and many of you have scheduled a time to stop in, but this is optional, and you will receive the written evaluation either way.

We look forward to March and the beginning of Lent on Ash Wednesday, March 6th. And dare I mention Spring? May the sun shine on all of us this month!

In Christ,
Winnie Pratt

February is Dental Awareness Month and we would like to extend a heartfelt THANK YOU to Dr. Stephen Huber for taking the time to teach us about good dental care habits and sending us all home with a fun new toothbrush!
