April News

**Welcome to the
LEAP Program!
We provide active
learning
opportunities
through play to
enhance the
preschool day!!**

We welcome your questions:

M/W/F: Mrs. Przybylski
mieke.przybylski@stmichaelcp.org

T/TH: Mrs. Proctor
maria.proctor@stmichaelcp.org

Last month, we definitely enjoyed creating and learning about COLOR!! This month in LEAP, we will get to know our world. We will explore living things, including plants and insects. We will also put our gardening skills to work. We will watch how things grow, plus learn how we can make our earth a better place through recycling!

Hallelujah – He is RISEN! Happy Easter!!
