***Comments From Past Cornerstone Participants***

*“The Cornerstone Retreat meant 27 hours away from my very busy life to spend time with other women interested in a faithful fun weekend to reflect on how the Lord can help us in our crazy lives – if we ask him. I had many laughs and shed a few tears. You will enjoy this weekend no matter where you are in your spiritual journey”*

*“The weekend retreat is a personal investment that pays a lifetime of dividends. The spiritual enrichment promotes a special sisterhood bond, a deepening of connection in community.”*

*“My experience at the Women’s Cornerstone Retreat was very meaningful and rewarding. It was especially nice to have this time of reflection; to be at peace with myself and to renew my relationship with God. The women of our church community did a wonderful job of making the event a spiritual and fulfilling experience.”*
